## Description

Hidden away in the very heart of LS12, set within a quite Cul De Sac; this excellent three-bedroom terrace property is sold chain free and with vacant possession.

The property enjoys the benefit of a separate detached garage, plus an enclosed garden to the rear, in addition to an allocated parking space to the front. There are a number of nearby amenities whilst commuting links to the city centre are within easy reach.

In our opinion, this would make an ideal first-time home for those looking for a small project, or alternatively an excellent downsize opportunity. This property also offers excellent potential as a buy to let investment, with the potential to generate £850 pcm.

### INTERIOR

Internally, the property consists of an entrance hallway leading to a well-proportioned kitchen featuring a selection of wall and base units set above and below rolled laminate worktops, incorporating an integrated oven and grill, composite sink/drain, electric hob with pull out extractor, plus space and plumbing for a washing machine and fridge/freezer. The kitchen also features an integral pantry cupboard and ample space for a small dining table.

To the rear is a spacious living room featuring patio doors which open out onto an enclosed garden.

Carpeted stairs featuring an under-stair storage cupboard rise to the first-floor landing where can be accessed three bedrooms – the master bedroom overlooking the frontal aspect, includes full width fitted wardrobes, plus two further bedrooms to the rear.

The bathroom currently includes a bath with overhead shower, WC and wash hand basin.

### EXTERIOR

Externally to the front is a small, enclosed garden bordered by a low brick wall and wrought iron gate, whilst to the rear can be found an enclosed courtyard garden with timber fence and gated access to the rear.

The property comes with a detached garage which is set away from the property within the cul-de-sac, plus ample parking in designated bays within the centre of the close.

St Bartholomew's Close itself is located within walking distance of shops, well regarded schools and recreational facilities, whilst also being a stones throw of the open green space of Strawberry Lane. For those looking to commute to the city center, the inner ring road is within easy reach.
